West Virginia Code Chapter 11, Article 6J provides that the value of servers and tangible personal property directly used in a high-technology field or an Internet advertising business shall be its salvage value. The terms "high-technology business" and "Internet advertising business" are defined in West Virginia Code § 11-15-9h. In order to receive salvage valuation treatment the high-technology business activity or Internet advertising business activity of the company must be the primary business activity and not a secondary or incidental activity of the company.

In lieu of a balance sheet, a Profit or Loss Statement (Schedule C) from your Federal Income Tax Return may be submitted. Failure to attach these items will be grounds upon which the County Assessor may reject this return. If you need forms or assistance, contact the County Assessor.

I, \_\_\_\_\_, (president, treasurer, manager, owner or other title) \_\_\_\_\_ of \_\_\_\_\_, do affirm that the information on this return, to the best of my knowledge and judgment, is true in all respects; that it contains a statement of all the real estate and personal property, including credits and investments belonging to the business; that the value affixed to such property is, in my opinion, its true and actual value, by which I mean the price at which it would sell if voluntarily offered for sale on such terms as are usually employed in selling such property, and not the price which might be realized at a forced or auction sale; and said business has not, to my knowledge, during the sixty-day period immediately prior to the first day of the assessment year converted any of its assets into nontaxable securities or notes or other evidence of indebtedness for the purpose of evading the assessment of taxes thereon.
